

MASTER PAINTER

Our new Master Painter class will inspire your creative side and help build your natural nail care business. Explore CND's exciting colour concepts with Colour & Effects for endless colour options to decorate nails in the seasons latest looks. Then discover CND's new power polish – Shellac, which improves the appearance of your client's nails with a high shine armour coat for two weeks of sheer nail perfection! Learn advanced application techniques, including meticulous manicuring, illusion design, colour layering and artistic techniques that create unique, one-of-a-kind nails that demand client loyalty. You'll spend the day designing with color in this comprehensive hands-on class.
