

CUSTOM COLOUR ENHANCEMENT SPECIALITY

This inspirational, invigorating and intensive 4-hour course includes fundamental nail skills as well as premium techniques unique to CND. Featuring a quick refresher of the basics such as P.R.E.P. and Salon Wellness, it will also help you improve your earning potential with new concepts like Custom Client Services, Advanced Design Principles and Zone Finishing. This course will help you develop a new perspective on offering UV Gel enhancement services that promote a competitive edge for you in your market, improve your service quality and increase your profits.
