

# LIQUID & POWDER ENHANCEMENT MASTER

This 8-hour intensive course will invigorate and inspire you, with fundamental nail skills and premium techniques, unique to CND. This course features a quick refresher on the basics including P.R.E.P. and Salon Wellness as well as new business-building content like Custom Client Services, Advanced Design Principles and Zone Finishing. You will leave with a new perspective on how to offer Liquid & Powder services with a competitive edge, greater service quality and a boost to your earning potential!

**COURSE LENGTH:** 8 hours
